It is our expectation that guests on this program are able to walk a mile at a moderate pace and be able to walk up a flight of stairs without assistance. Also keep in mind that you will experience varying altitudes, rising up to 9000', to which you may not be accustomed.

## What They're Saying:

"Both of the guides were excellent. Their personal knowledge of the region truly enhanced the experience."

—Frank and Deb F., Pasadena, M.D.

"We debated about paying the extra for a trip like this, but we are convinced we got the best deal ever! We experienced many "extras" that other tours do not touch and the upscale coach, leaders, lodging and meals were great. This trip has been life-changing for me. I only wish I had done it sooner!"

— Robin and Gordon G., Asheville, NC

"We were very satisfied with the service provided by Orbridge. It was a pleasurable and educational journey. We came home with renewed appreciation of our National Parks."

–Rod and Betty S., San Francisco, C.A.

“We have wanted to do this trip for years. We had planned to do it last year and drive to some of these places, but decided we were too old to do so. When we saw this advertised, we jumped at it. The trip was much better than we expected. We saw more and learned more than we even imagined. Our tour director and guide were the best ever. It will be a trip we will remember for the rest of our lives! Thank you for the opportunity.”
