Tour Highlight
There's no better way to discover Cinque Terre's seaside hamlets than by foot. These five coastal villages hug the Mediterranean's terraced hillsides, where locals still farm the steep, rugged landscapes as they have for centuries.
functional winery and olive oil producer. After taking in the region by foot, sit down for a taste of its best fare and famous labels: Ripasso, Amarone, and Recioto. Included meals: breakfast, lunch, dinner

**Day 6: Bolzano Guided Sightseeing**
Discover Bolzano (or Bozen in German), a city comprised of two very distinct cultures. Part Italian, part Austrian, the citywide divide is tangible from its architecture right down to its beer. A local guide introduces you to the charming contrasts, starting in the main city square, Piazza Walther. From there make your way through the famous open markets on to the Gothic-style Duomo, dedicated to the assumption of the Virgin Mary. Next, step into Piazza del Grano. Once home to the city’s grain market, the square remains the heart of Bolzano’s medieval village. After touring the main streets, including Via Laubengasse with its famed arched windows, you’re free to continue exploring on your own. This afternoon, join the group for an optional cable car ride above Ritten’s green landscapes and a walk to view its towering Earth Pyramids.

Included meal: breakfast

**Day 8: Transfer to the Italian Riviera**
Wave goodbye to the Dolomites as you travel south from Bolzano to the sunny shores of the Italian Riviera, stopping en route to enjoy some free time for lunch. After settling into your Riviera hotel, raise a toast to your new locale at tonight’s group dinner.

Included meals: breakfast, dinner

**Day 9: Cinque Terre Walk**
Clinging to the cliffs of the Riviera coastline sits Cinque Terre, a UNESCO World Heritage site. Translating to “Five Lands” in Italian, Cinque Terre encompasses five very distinct villages, all bound by a relaxed vibe and bright clusters of color-washed homes. Get a taste for the unique flavors of each village as you walk the peaceful promenades that connect them. Start your journey in the artistic out-post of Riomaggiore and walk the Via dell’Amore (“Walkway of Love”). Find sweeping views of the sea and mountains at every turn as you make your way to the sun-bleached walls and ravines of Manarola. Your next stop is Vernazza, where you’ll have free time to refresh and refuel before continuing to Monterosso. As you walk toward the village’s sandy beaches, absorb the local scenery from high and low, traversing cliff-top bridges, terraced vineyards and low-lying valleys teeming with olive groves and lemon orchards. Later this evening, kick back and recuperate from the day’s adventures upon returning to your hotel.

Included meal: breakfast

**Day 10: Transfer to Florence**
Trade the jetset glamour of the Riviera for the tranquility of the Tuscan countryside as you head toward Florence. On the way, make a stop in the town of Lucca, where a local guide gives you the lay of the land. Walk along the two-mile stretch of Renaissance-era walls that enclose the city for impressive views of the classic red-tiled rooftops, medieval churches and swathe of cypress trees below. Descend into the center of town to view the Palazzo Pfanner, San Martino Cathedral, Guinigi Tower, San Frediano’s Church and San Michele in Foro. Cap off your tour with free time to peruse the local shops and enjoy your first Tuscan meal. After lunch, continue to Florence, where you’ll gather with your fellow travelers for one last dinner.

Walking on Tour

Will I be able to keep up?

This is a moderately demanding walking tour, but all walks can be carried out at your own pace. Travelers should be able to walk comfortably over hilly or uneven terrain while carrying water, and be prepared for some moderate inclines. Hiking boots or a pair of sturdy, comfortable athletic shoes are highly recommended. We also recommend carrying a walking stick.

What happens if it rains?

The day-by-day itinerary is an outline of daily activities. This kind of program requires maximum flexibility, and events are likely to be rearranged as local conditions demand. If you experience inclement weather, we will arrange more activities in town and fewer in the countryside.

Who is my guide?

Go Ahead Walking Tour Directors have been trained on how to lead a program of this kind. They not only have a comprehensive knowledge of the region, but also a genuine enthusiasm for Italy. All tour directors are bilingual.

Pre-departure information for your tour

PASSPORT AND VISA REQUIREMENTS
In order to enter Italy, U.S. and Canadian citizens need a valid passport. The expiration date must extend at least six months beyond the date of your return home. No visa is required for U.S. or Canadian citizens. If you are not a U.S. or Canadian citizen, contact the Italian consulate for your particular entry requirements.

AIRPORT AND DEPARTURE TAXES
All airport and departure taxes for this tour are included in the total trip cost printed on your invoice.

BAGGAGE ALLOWANCE
Airlines have varying weight restrictions on luggage. Some airlines may impose additional charges if you choose to check any baggage; be advised that you are responsible for any such costs. Contact your airline for detailed information regarding luggage size and weight restrictions for your flight, but please note that Go Ahead travelers are restricted to one checked bag per person due to storage limitations on motor coaches and other internal transfers, which may include train connections or flights. One carry-on bag is also permitted, provided that it does not exceed 45 total inches (length + width + height). Make sure you label your baggage and carry valuables, medication and documents in your carry-on bag.

CLOTHING AND PACKING TIPS
Your Italian itinerary focuses on the outdoors, so your clothing should be casual and appropriate for outdoor use. Loose-fitting, layered clothing that can accommodate varying temperatures will probably be most comfortable. A sun hat, sunglasses, and a bathing suit are recommended. Sturdy walking shoes or hiking boots are crucial. Occasional rain showers are common in the areas you will be visiting, so pack light rainwear.

HEALTH
Travelers should be reasonably fit (see “Walking on Tour” for more information). Take proper care for sun exposure. Consult your doctor at least eight weeks prior to departure about possible preventive measures and personal travel requirements.

CUISINE
Undoubtedly one of the most exciting aspects of traveling to Italy is sampling the local cuisine. Eating isn’t just an activity here—it’s an art form. Be sure to sample the homemade pasta sauces and the vast range of cured hams, cheeses, rustic breads and desserts. Italian fare often varies slightly by region, and many cities and towns have their own specialities. Northern Italy is known for its meats and pastries. For more authentic meals, try the local trattorias—small, family-owned restaurants that tend to be set away from the main piazzas.

Italians are known for indulging in long, often-boisterous meals featuring wines and the occasional beer, followed by after-dinner drinks, such as grappa or limoncello.

TRANSPORTATION
Round-trip flights arrive at Malpensa airport and depart from Florence. After you arrive at Malpensa airport and clear customs, a Go Ahead representative will escort you to your hotel. Included transportation on this tour is by private motorcoach. Destinations on tour are all easily walkable, although some local buses may be available.

ELECTRICITY
Italy uses the European standard 220 volts.

TIME ZONES
Italy is one hour ahead of Greenwich Mean Time (GMT) and six hours ahead of Eastern Standard Time (EST). When it is noon in New York, it’s 6 p.m. in Florence.

CURRENCY
The euro is the currency you will be using on your tour. Better rates of exchange are usually available in Italy, although it is worth ordering some currency from your local bank to use when you first arrive. We strongly advise that you take debit/bank cards and credit cards, which can be exchanged for cash at local banks, as needed. You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees. We suggest informing your bank and credit card company of your travel plans, so that they don’t confuse your international purchases for fraudulent charges.

TIPPING
At the conclusion of your tour, it is customary to offer your Go Ahead Tour Director and driver a gratuity. We recommend tipping in your tour country’s currency, the equivalent of $3USD/CAD per person per day for your driver and $6USD/CAD to $9USD/CAD per person per day for your Tour Director. If applicable, we also recommend the equivalent of $2USD/CAD per local guide. Tips can only be paid in cash. Please keep current local currency exchange rates in mind when tipping.

PURCHASING OPTIONAL EXCURSIONS ON TOUR
If you have not yet purchased your optional excursions, you may be able to do so while on your tour. Your tour director will only accept cash (in U.S. dollars only), Visa or MasterCard as payment for optional excursions. Please be advised that if you pay for an excursion by credit card while on tour, it may take up to three months for your card to be charged. Some optional excursions may only be purchased in advance. See the separate “Optional Excursions” sheet for more information.

International travel is, by its very nature, unpredictable. We must therefore reserve the right to change this itinerary without advanced notice to meet with local conditions at the time of travel. We appreciate your understanding. Please refer to the current catalog for terms & conditions, dates and prices.
