

We're glad you're here and hope your day is a fun and memorable one! Carowinds is dedicated to maintaining a quality, family environment. To provide a day that is both safe and comfortable for everyone, we need your help. Safety is our top priority, if you have any questions or concerns please bring it to our attention immediately. You may speak with any park associate or stop by Guest Services if there is anything we can do to make your visit more enjoyable. All of us here at Carowinds are proud that you have chosen to visit our park. We hope to see you again soon.

Rider Safety Requirements

- Many rides at Carowinds are dynamic and thrilling. There are inherent risks in riding any amusement ride. For your protection each ride is rated for its special features, such as high speed, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of these risks. Restrictions for guests of extreme size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Guest Assistance Guide available at Guest Services. Participate responsibly. You should be in good health to ride safely. You know your physical limitations, Carowinds does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!
- Guests with a history of recent surgery, heart-trouble, high blood pressure, neck trouble, back trouble or any other condition that may be aggravated by riding, or who are pregnant should heed all warning signs at each ride entrance. If you are in doubt about your ability to safely experience a ride or would like more information, please request our Guest Assistance Guide at Guest Services. We'll be happy to brief you on our Ride Admission Policy and explain how it applies to your specific situation. We hope we can help you enjoy your day more fully.
- All passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned, fastened properly and tightened securely to allow guests to ride. Please try our test seat at the ride entrance of Nighthawk, Intimidator & Fury 325® prior to waiting in line.
- Most rides cannot accommodate loose articles including cell phones, pagers, hats, cameras, stuffed animals, purses, backpacks, umbrellas, beverage containers, personal entertainment devices, etc. Items must be safely secured in cargo pockets, a waist pack, left in a locker, placed in an article bin at the ride location or left with a non-rider. Ride operators are not responsible for these items. Loose articles of any kind are not allowed in the line or on the ride platform at Fury 325®. Glasses must be secured on all rides. For safety reasons, taking pictures, videotaping and filming on rides are prohibited.
- Supervise children at all times. A guest's height is an important safety factor on many rides and attractions. Children may be measured and receive a wristband, if qualified, at the Height Measuring Stations. For the safety of your child, a standard play shoe which does not contribute excessively to the child's height is required. For example, a child is not permitted to wear platform shoes to help meet a height requirement. Carowinds reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated.
- Hand held infants are restricted from most rides.
- North Carolina and South Carolina state law requires riders to obey all warnings and directions and behave in a manner that will not cause or contribute to injuring themselves or others. Riders shall report all injuries before leaving.
