Dear Carolina Alumni and Friends,

Join fellow Tar Heels and friends for a special opportunity to witness the diverse wildlife of the Canadian Arctic in summer and to discover the pioneer spirit of remote Churchill, Manitoba.

During this seven-day journey, observe polar bears interact and play from a custom-designed water vessel, the Sam Hearne. During another outing in Zodiac boats, watch as beluga whales, seals and a multitude of other wildlife enjoy the brief arctic summer. Back on land, explore the plants and animals who live in this vast arctic wilderness. Meet and greet sled dogs, their mushers and staff at their outfitters camp, then enjoy the thrill of a dog-sled ride along local trails.

The adept guidance of a naturalist Orbridge Expedition Leader and exclusive educational experiences distinguish this program, including expert presentations from Assiniboine Park Zoo and Churchill’s Northern Studies Centre.

Our rate for University of North Carolina General Alumni Association guests on this departure represents a significant savings (more than $1,000 per couple) over that of non-affiliated guests. Please reserve your space today online at http://unc.orbridge.com, by calling UNC’s GAA at (877) 962-3980 or by returning the enclosed reservation form.

LAZY BEAR LODGE
This remarkable, handcrafted log lodge will provide cozy comfort during your stay. A log builder by trade, Wally Daudrich built the Lazy Bear Lodge himself, literally.

Your Orbridge Expedition Leader

Whether Lynette, Kent or another experienced naturalist, your Expedition Leader will add exceptional depth of expertise and warm hospitality to each day’s adventures.

Lynette’s passion for the outdoors began at an early age on her family’s dairy farm. A move to Montana and a degree in Ecology enabled her to continue to nurture her love of exploration throughout the western U.S. Since then, she has had the good fortune to study grizzly and black bears, pine marten, coyotes, foxes and wolves in various research projects in some of the West’s most remote areas.

Kent has led national park tours as a park ranger since 1984. Having worked with the National Park Service, U.S. Forest Service, U.S. Fish and Wildlife Service, Bureau of Land Management, and the Colorado Division of Wildlife, he brings a lifetime’s wealth of knowledge about North America’s parks, preserves, and wildlife.
The Sam Hearne

An expedition vessel ideal for wildlife-spotting.

This 23-passenger flat-bottomed water craft is perfect for your day-long journey onto Hudson Bay and possible close encounters with polar bears along the rocky shorelines. This former landing craft has plenty of seating, on-board facilities with flush toilet, and the ability to get in very close to shore. Captained by Lazy Bear Lodge owner Wally Daudrich, it is the only licensed boat of its kind with this special access.

Cruise along the coast of the Hudson Bay to places such as Seal River and Hubbard Point, a favorite gathering spot for polar bears, disembarking to walk around the area if conditions permit.

Come aboard and join your naturalist guide for an amazing day of discovery in this remote and fascinating place.

The Arctic Crawler

A rugged all-terrain vehicle.

Get up-close access to the wildlife of the tundra aboard this specially-designed trekking vehicle.
