Dear Carolina Alumni and Friends,

Join the Tar Heels and travels for an exciting journey through Switzerland. Experience engineering marvels; scenery; panoramic lakes, hills, Alpine meadows, and picture-perfect medieval towns. Your adventure begins in Switzerland’s German-speaking side. From your base in picturesque Lucerne, you'll explore the scenic beauty of the Lake of Thun on your way to Zermatt to gaze at the mighty Matterhorn.

Note: For five years, our older son, Michael '03, lived in Lugano with his wife and their Lugano-born daughter and son. From our many visits to Lugano, Stresa, and Locarno, we know that foodies will enjoy the fine chocolate and cheese, then travel to Zermatt to enjoy the majesty of the Swiss Alps.
