BUENOS AIRES PRE-TOUR &
IGUAZÚ FALLS POST-TOUR
Dear Carolina Alumni and Friends,

Join fellow Tar Heels and friends for a once-in-a-lifetime adventure to experience the boundless beauty and pristine vastness of Antarctica. This remote continent and its precarious waterways have hosted some of the most courageous explorers in history and have been the scenes of both triumph and tragedy since Captain Cook first sailed the region in 1773.

Embark from Ushuaia, Argentina and cruise through the Drake Passage to the South Shetland Islands amid the Antarctic Peninsula—exploring the dramatic landscapes and remarkable wildlife that call this continent home. Trek through penguin rookeries, observe vast flocks of seabirds, learn about Antarctic ice conditions and discover the sites of both past and present scientific expeditions.

Your expedition vessel for this amazing journey is the modern, 190-guest Ocean Victory, a nimble craft designed specifically for polar cruising—with large cabins, exceptional amenities and a knowledgeable and friendly crew. Carefully selected specifically for this program, her small size provides the ability and agility to maneuver narrow channels and access bays that are closed to bigger vessels. The craft also boasts innovative new features including Rolls-Royce zero speed stabilizers and a patented X-Bow that offers a more comfortable and stable voyage.

With significant savings of more than $800 per couple, we anticipate this program will fill quickly. Be certain to reserve your spot today.

Book this experience today by calling (877) 962-3980 or by returning the enclosed reservation form.

Yours at Carolina,

Douglas S. Dibbert ’70
President, UNC General Alumni Association

Your 12-Day Itinerary

Discover
- Explore the South Shetland Islands and the Antarctic Peninsula, a beautiful island chain filled with an impressive variety of wildlife.
- Cruise aboard the perfect vessel for exploration. Ocean Victory is an Ice Class 1A super (equivalent to Polar Class 6), featuring 83% staterooms with balconies and a unique X-Bow ship design. The inverted bow quickens the Drake Passage crossing as it slices through waves, reducing rolling by 80%—and helping to prevent possible seasickness. This proven technology produces very low levels of noise and vibration.
- Explore at your own pace, with numerous passenger landings and explorations throughout the voyage, aided by a nimble fleet of Zodiacs and knowledgeable guides.

Interact
- Enjoy the company and keen insights of expert expedition guides, scientists, and lecturers throughout the journey.
- Join the optional Sea Kayaking excursion ($250 per person; limited availability). This is a one-time opportunity to explore the outstanding grandeur and magical beauty of the polar regions using a kayak. Participants must have prior kayaking experience.
- Take advantage of the ship's impressive amenities, including a heated infinity swimming pool, two hot tubs, spa, gym, lounges, outdoor bar, and interactive dining experience.

- Your own expedition parka to keep
- A pair of insulated rubber boots for shore landings for the duration of the cruise (to be returned prior to disembarkation)
- Access to a photographic trip log (shared with guests after the voyage via an online link)

- All luggage porterage
- Port fees
