The safety and well-being of our travelers remains our highest priority. Cruise lines and some other providers of services (as well as, potentially, some countries) require all passengers traveling on our programs to present confirmation of a full COVID-19 vaccination, and, as well, passengers may have to produce evidence of a recent negative COVID test. All our staff are committed to adhering to all health and safety protocols from the start of your trip to the end as directed by the United States Centers for Disease Control and Prevention, overseas health officials as well as those protocols mandated by your cruise company (if applicable) and other suppliers of services. Detailed protocol information tailored to your travel program will be mailed to you along with additional pre-departure information.

Snorkel the crystal-clear lagoons of uninhabited Tobago Cays Marine Park, famed for its vibrant horseshoe coral reef brimming with marine life.
A secluded archipelago impossibly blessed by Mother Nature, the Windward Islands have for centuries captivated sailors riding the carousel of Atlantic trade winds. With jungle-cloaked peaks that plunge into crystalline waters and vibrant coral reefs, cascading waterfalls and mini geysers, these remote islands combine the magnetic allure of the Caribbean with a rare authenticity. The iconic twin peaks of the Pitons—the world’s only drive-through volcanic crater—breathtaking topography and an abundance of fauna invite you to experience these surreal and lightly trodden landscapes. The swaying rhythms of calypso and reggae reverberate through convivial streetscapes and harbors where pastel-hued Creole houses and stately Georgian-style mansions bear the imprint of British, French and Spanish colonial rule. Experience a unique, off-the-beaten-path itinerary and intimate sail on board an exclusively chartered small ship, offering unparalleled access to the idyllic ports and secluded bays of the southern most Caribbean islands.
