

Become a 50th Reunion Patron

Celebrate the holidays, the New Year and your 50th graduation anniversary by becoming a Class of '72 Patron. We need your memories. We need your support as a class patron to assure an accessible and affordable Golden Reunion for all of our classmates and to create another unrivaled class legacy. To become a '72 Golden Reunion Patron, [contribute online](#). You may also donate by check via this form.

Our goal is to make returning to Chapel Hill possible for all of our classmates ... and we also want to build upon our class culture and legacy with another class gift for worthy students of need to attend UNC.

The class of '72 broke new ground when we were undergraduates. During our 4 years, we strove to make student government more reflective of the student body; we worked to establish an organization for women and minority students; we fought for the rights of cafeteria workers; the brutal Kent State slayings challenged and motivated us to become activists; we helped remedy some of our racist past by retiring the playing of "Dixie" at athletic events. We won the national debating championship, we played in the Gator Bowl, and we won an NIT Championship and a slot in the Final Four. We've all had 50 years to reflect on what we were able to accomplish together. **But ... we're not finished.**

We propose to break new ground once again for our 50th class reunion. With your help, and that of our families and friends, we would like to raise at least \$272,000. \$72,000 will augment reunion costs mentioned in my Dec. 3rd email to you, and \$200,000 will be contributed to scholarships for deserving students to live and learn from the Carolina experience. This idea is something that has never been achieved by an alumni reunion class. Let it be ours and let it be us.

We have created flexible naming levels of patronage in honor and memory of some of the greatest figures and events of our time at Carolina. You can choose a particular individual in the category you wish to honor, or simply honor all those in the category. Your patron selection is needed **now** so reunion registrant costs can be finalized and distributed to classmates by late January 2022.

We want every classmate to be a part of our lasting legacy to Carolina. Already one of our classmates has donated the largest single gift to the University and another has led our Heels to two NCAA Championships. Again, we need not be finished.

Each of you as patrons will be honored during our May 5-8, 2022 Golden Reunion Celebration and will be acknowledged by the UNC General Alumni Association.
