ACTIVE TRAVEL for Cultural Explorers

This **active program** is designed for people who are in good health and can comfortably participate in a demanding daily schedule of physical activities. The itinerary may feature full days of ongoing activities including long game drives on rough roads. Depending on the excursion, more leisurely alternatives may be available.

Excursions on this program require:

- ▶ walking on unpaved paths and/or uneven surfaces
- ▶ getting on/off motor coaches, boats and/or trains
- ▶ walking through train corridors whether the train is in motion or stopped
- ▶ climbing in and out of safari vehicles

Victoria and Alfred Waterfront, Cape Town

Discover the rich natural and cultural heritage of southern Africa.

Cape Town is a showcase of Cape Dutch houses and inspiring landmarks, including Robben Island and St. George’s Cathedral. Across the country, Soweto, once the main battleground in the war on apartheid, now offers opportunity and hope for a better future. No trip to southern Africa would be complete without a safari in its greatest parks and game reserves. Experience the thrill of up-close encounters with lions lazing in the grass after a kill or elephants quenching their thirst by a watering hole, and feel the power of thundering Victoria Falls.

Cape Town | South Africa

Sheltered by Table Mountain, South Africa’s Mother City is one of the world’s most beautiful cities. Centuries-old Cape Dutch houses and colorful gardens dot the cityscape. A bustling waterfront welcomes visitors with inviting cafés and boutiques set amid workaday harbor life.

Colorful Bo-Kaap, Cape Town

UNESCO World Heritage

- 1. Robben Island, South Africa
- 2. Cape Floral Region Protected Areas, South Africa
- 3. Victoria Falls, Zimbabwe

Robben Island | South Africa

Within sight of Cape Town, but still a world away, Robben Island was home to a prison that held Nelson Mandela and other political dissidents. From their remote prison, these prisoners helped draw attention to the injustices of apartheid. Today, former prisoners lead insightful tours of the prison.

Cape Peninsula | South Africa

In 1580, English navigator Sir Frances Drake described the Cape of Good Hope as the “fairest cape ... in the whole circumference of the earth.” The peninsula is a part of the Cape Floral Region, considered to have the most diverse range of plant life in the world. At Cape Point, ascend the high sea cliffs by funicular to admire dramatic coastal views.

Victoria Falls

Johannesburg | South Africa

If tranquil Cape Town is the country's oldest and most genteel city, Johannesburg is its rambunctious brother. In 1886, the discovery of a huge lode of gold triggered a gold rush. Today, Joburg, as it is often called, is the country's financial center, and many people come here to enjoy the fast-paced lifestyle.

Soweto | South Africa

Soweto began as a shantytown built to house black mine workers away from Johannesburg, but it turned into the heart of the fight against apartheid. It produced two Nobel Peace Prize laureates, Nelson Mandela and Desmond Tutu. With a brave spirit, the residents of Soweto are embracing new opportunities and challenges presented to them.

Victoria Falls | Zimbabwe

Until the 19th century, the Zambezi River's great cascade was called Mosi-oa-Tunya, "the smoke that thunders," by the local Kololo tribe. "Discovered" in 1855 by Dr. David Livingstone and renamed for England's queen, Victoria Falls spans more than a mile. Twice the height of Niagara Falls, mighty Victoria Falls casts a veil of spray that at times can be seen up to 50 miles away.

Life on Safari

Each day on safari begins with new discoveries and ends with a reinvigorated respect for nature. With an expert tracker leading the way, see exotic animals in their natural habitat, and watch the drama of their day-to-day struggle for survival.

On this luxury safari, discover the landscapes and ecosystems of three different parks.

Kapama Private Game Reserve | South Africa

This pristine sanctuary is home to over 350 bird species and more than 40 species of mammals, including the big five: lion, leopard, Cape buffalo, rhino and elephant. Enjoy exhilarating wildlife sightings from your safari vehicle, which offers stadium seating to ensure unimpeded views. You'll likely witness majestic beasts such as giraffes, zebra, hippo, impala and other animal encounters that stir your soul. Between safaris, spend time by the pool, relax over a spa treatment or simply sit back and revel in the diversity and beauty of the bushveld.

Hwange National Park | Zimbabwe

During your train journey, stop at Hwange National Park for a game drive at The Hide, a private concession within the park. Explore the savannah and acacia forests in search of elephants, zebra, lions, kudu and other wild residents. The Hide's water hole serves a wide area, so many animals come in for a drink.

Chobe National Park | Botswana

Chobe National Park is one of the most famous game parks in southern Africa. While you can see lions, leopards, giraffes, impalas and baboons in the park, you will be amazed by the number of elephants who make their home here. During your game drive, you are sure to see several herds of elephants wandering the plains or stopping by the river for a drink or a bath. With a large bird population of more than 460 species, Chobe also is a favored destination for birdwatchers. During a safari cruise on the Chobe River, (weather permitting) observe predators and prey gathering at the river's edge to quench their thirst.

Rovos Rail

The Pride of Africa

Each morning, take in the scenic splendor of the passing landscapes during a sumptuous breakfast.
