The Carolina Alumni Review has been published since 1912 for alumni and friends of The University of North Carolina, the nation's first state university.

Engage With Alumni

Connecting, informing and engaging alumni and friends of The University of North Carolina is the mission of the UNC General Alumni Association. Advertising has been a part of the *Carolina Alumni Review* since its inception in 1912. Ads are always integrated with editorial content in a 30% to 70% ad-to-editorial ratio making your ad exceptionally visible. Reach alumni through General Alumni Association print and digital advertising, sponsorship and experience packages.

Payment

Advertisers or agencies reserving space in the *Carolina Alumni Review* for the first time must pre-pay their ad space. All classified ads must be pre-paid. Other advertisers may be required to pre-pay at the discretion of the publisher. All charges are due within 30 days from the billing date. Overdue accounts are subject to a finance charge of 1.5% per month (18% per year).

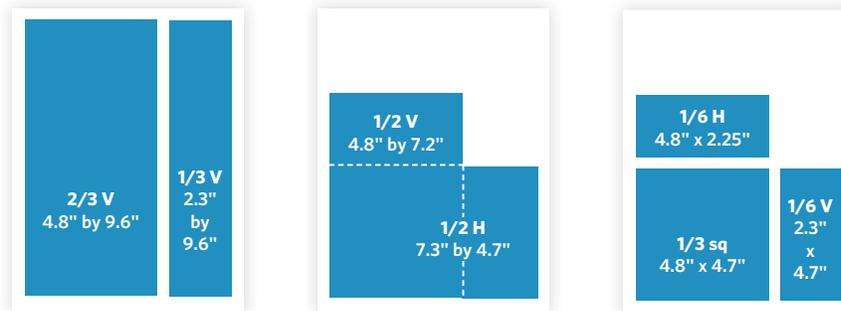

“You guys must be doing something right to have so many people around the country reading the magazine.”

— David Bruce Post

Display Ad Dimensions

Full-bleed ads: Ensure that registration/crop marks are outside the 8.75" x 11.375" bleed area (.25" offset).

Fractional ads: Do not include bleeds or printer's marks.

Double-check ad sizes before preparing files.

Specifications for Display Ad Submission

File format: Submit PDF files (PDF/x-1a preferred) created from InDesign or QuarkXPress. (If you work in Illustrator, save your ad as an EPS file, place it in InDesign or QuarkXPress and export as PDF.)

Fonts: Convert fonts to outlines if possible. (If you work in QuarkXPress, embed fonts in the PDF.)

Embedded images: **Effective resolution of CMYK/grayscale/duotone images:** 300 dpi. **Effective resolution of line-art graphics:** between 1200 and 2400 dpi.

Color and ink: Convert all colors to 4-color process (CMYK) – all photos, logos, graphics and type. **PMS/spot and RGB colors are not accepted.** Convert all color elements to CMYK. **B&W ads:** Convert photos to grayscale mode. **Avoid very heavy ink coverage.** Colors in your palette (and images) should not exceed 305% in total ink coverage (sum of C, M, Y and K values).

Layout notes: **Full-page ads require at least 1/4" bleed** for content that extends to trim edge and **at least 3/8" clearance** (safe area) from trim to edge of page elements inside trim area. Make sure **crop/registration marks and color bars** are outside the bleed area (offset by 1/4").

Printing and binding: The *Review* is printed on a web offset printer and is perfect-bound.

Proofs: Submit SWOP-certified continuous tone proofs. Color cannot be guaranteed if no proof is supplied.

File delivery: Compress files using Stuffit (.sit) or Zip (.zip) and email to caradvertising@unc.edu or contact us for alternate delivery options.

Ads that are not to specifications are subject to production charges.
