JOIN THIS ADVENTUROUS VOYAGE
TO THE 7TH CONTINENT ABOARD
AN AWARD WINNING LUXURY SHIP

Dear Carolina Alumni and Friends,

Join fellow Tar Heels and friends on a once-in-a-lifetime adventure to experience the boundless beauty and pristine vastness of Antarctica. This remote continent and its waterways have hosted some of the most courageous explorers in history since Captain Cook first sailed the region in 1773.

Embark from Ushuaia, Argentina and cruise through the Drake Passage to the South Shetland Islands amid the Antarctic Peninsula—exploring the dramatic landscapes and remarkable wildlife that call this continent home. Trek through penguin rookeries, observe vast flocks of seabirds, learn about Antarctic ice conditions and discover the sites of both past and present scientific expeditions.

Your expedition vessel for this amazing journey is the modern, 190-guest *Ocean Victory*, a nimble craft designed specifically for polar cruising—with large cabins, exceptional amenities, and a knowledgeable and friendly crew. Carefully selected specifically for this program, her small size provides the ability and agility to maneuver narrow channels and access bays that are closed to bigger vessels. The craft also boasts innovative new features including Rolls-Royce zero speed stabilizers and a patented X-Bow that offers a more comfortable and stable voyage.

With significant savings of more than \$1,000 per couple, we anticipate this program will fill quickly. Be certain to reserve your spot today.

Book this experience today by calling (877) 962-3980 or by returning the enclosed reservation form.

Yours at Carolina,

Activity Level: This program offers a variety of activities including shore excursions and small boat cruises. We expect that guests be sure-footed on stairs and ramps, be able to walk or hike at least one mile on uneven and slippery terrain, and be comfortable managing landings on various terrain and boarding small vessels—both from shore and the deck of the *Ocean Victory*. Ship staff will assist guests during each landing. On board, guests should be able to manage unexpected and unpredictable motion from the movement of the ship.

†NOTE: Travel time from/to U.S. may take up to two days depending on flight schedules.

(B = Breakfast, L = Lunch, D = Dinner)

Discover

- Explore the South Shetland Islands and the Antarctic Peninsula, a beautiful island chain filled with an impressive variety of wildlife.
- Cruise aboard the perfect vessel for exploration. *Ocean Victory* is an Ice Class 1A super (equivalent to Polar Class 6), featuring 83% staterooms with balconies and a unique X-Bow ship design. The inverted bow quickens the Drake Passage crossing as it slices through waves, reducing rolling by 80%—and helping to prevent possible seasickness.
- Explore at your own pace, with numerous passenger landings and explorations throughout the voyage, aided by a nimble fleet of Zodiacs and knowledgeable guides.

Interact

- Enjoy the company and keen insights of expert expedition guides, scientists, and lecturers throughout the journey.
- Join the optional Polar Camping excursion (\$350 per person; limited availability). With specialized performance gear and expert guidance, sleep in a cozy bivy sack as other hearty explorers have done.
- Join the optional Sea Kayaking excursion (\$250 per person; limited availability). This is a one-time opportunity to explore the outstanding grandeur and magical beauty of the polar regions using a kayak. Participants must have prior kayaking experience.
- Take advantage of the ship's impressive amenities, including a heated infinity swimming pool, two hot tubs, spa, gym, lounges, outdoor bar, and interactive dining experience.

What Guests Are Saying...

We felt that Orbridge went above and beyond our expectations. I was impressed with the concern of the staff for our safety at all times. I was also impressed that everyone seemed so interested and concerned that we have the best experience possible in all ways. The lectures were a wonderful addition. It allowed for meeting other people, as well as educating us on the continent, wildlife, and many other aspects of Antarctica.

~Sarah & Frank L., Norwood, NC

One of our best trips ever. The tour operators made the trip most enjoyable and the weather and wildlife cooperated giving us a tremendous experience.

~John L., Lincoln, NE
