

Thanks for helping me be a “hands-on,” working host for the Carolina Alumni Tar Heel Travel group.

Please:

- Allow me to introduce myself as host at the very beginning of the tour; and allow our group to make brief introductions
- Let me know the best day and place for a group photo with the flag
- Let me know of any days that will be especially challenging (long time on the bus, long walks, etc.)
- Write important allergy/dietary information in local language for each traveler who needs it

Please provide me/us:

- Rooming lists at each hotel
- Information on travelers with problems that arise on tour such as medical, room or food issues. I will also tell you if travelers experience any problems.

Please allow me/us to:

- Be a “sweeper”
- Be an extra set of hands (pass out materials, collect materials, etc.)
